

Brooklyn Middle School

Matthew Q. Carroll, Principal

Mary E. Sweet, Assistant Principal

May 10, 2005

Dear Parents and Guardians of Middle School Students,

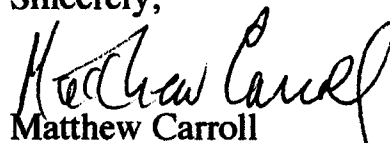

I have moved the issuance date for progress reports from May 13 to May 20. The four snow days we had this school year have caused the fourth marking period to be extended. This new date is now closer to the middle of the term. Marks for these progress reports will close on May 13.

The last day of school is scheduled for Friday, June 24. Students will be dismissed at one o'clock. Graduation is planned for the evening of Thursday, June 23. As I have mentioned to you previously, please access our web site at www.brooklyn.ctschool.net to find information about events from now until the end of the year.

We intend to initiate a summer reading program for all students entering or returning to the middle school next year. Each grade level team will choose a book for incoming students to read over the summer. Teachers will meet with those incoming students at the end of this year and introduce the book that will be given to them for their personal libraries. At the beginning of next year, teachers will plan activities to include promoting reader-text connections and examining the content and structure of the book. This initiative is supported through funding from the PTO, and we are grateful to them for their generosity.

Please call me if you have any questions about the above or would like to discuss any school issue.

Sincerely,

Matthew Carroll
